* Though this list is expansive, it does not reflect the over 4,700 sections that actually exist here at Powell's. If you cannot find the subject you are looking for, please ask one of our staff, identifiable by this sticker:

A few things to know...

- New and used books are shelved together throughout the store.
- Computer and technical books are located at Powell's Technical Books, two blocks away on the corner of Park and Couch Streets.
- Biographies are not in a separate section. Instead, they are shelved according to subject. Eleanor Roosevelt biographies, for instance, are in U. S. History.
